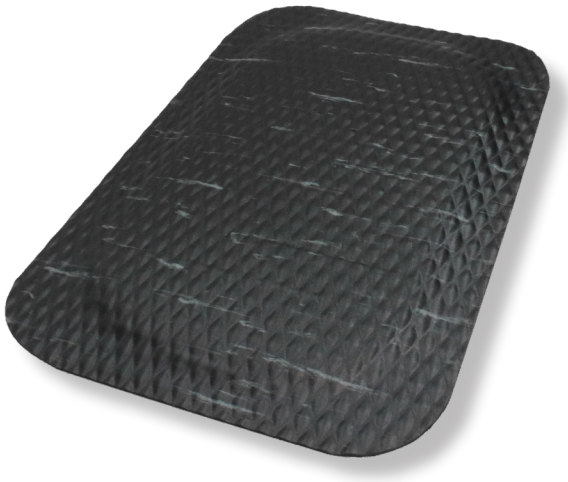
Hog Heaven® Marble Mats

Anti-Fatigue Mats • Indoor

Hog Heaven Marble mats feature the same excellent anti-fatigue qualities of a standard Hog Heaven mat, but with a smooth surface that allows workers to pivot freely.



- **Comfortable** – High-density, closed-cell nitrile-blended cushion helps eliminate pressure to the lower back and legs, providing superior comfort; smooth top allows workers to pivot freely
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI); sloped edges provide a safe transition from floor to mat
- **Durable** – Surface is molded, not glued, to the nitrile-blended cushion so it will not separate
- **Easy to Clean** – Smooth diamond-patterned vinyl surface is easy to clean
- Available in Hog Heaven Marble (5/8” thickness) or Hog Heaven Marble Max (7/8” thickness)
